BOARD OF EDUCATION

And

STUDENT COUNCIL

. . . . Board Of Education

The Board of Education and the Student Council are the chief governing bodies of our school.

This year the Board has enlarged the visual aids program. Films can be shown in every class room in the grade school. The Board purchased two new buses and has put tile on the stairways in the grade school building. The big problem now confronting the Board is the need for additional room. Nothing definite has been decided upon yet.

. . . . The Student Council

The student council is composed of elected representatives of each class. This year the officers are—President, Ronald Kuebler; Vice-president, Joan Knake; Secretary-Treasurer, Gerald Zellers.

This year the student council sponsored several all-school parties and selected the full-length movies for some of the school parties.
The members were also ticket-takers for the basketball games.

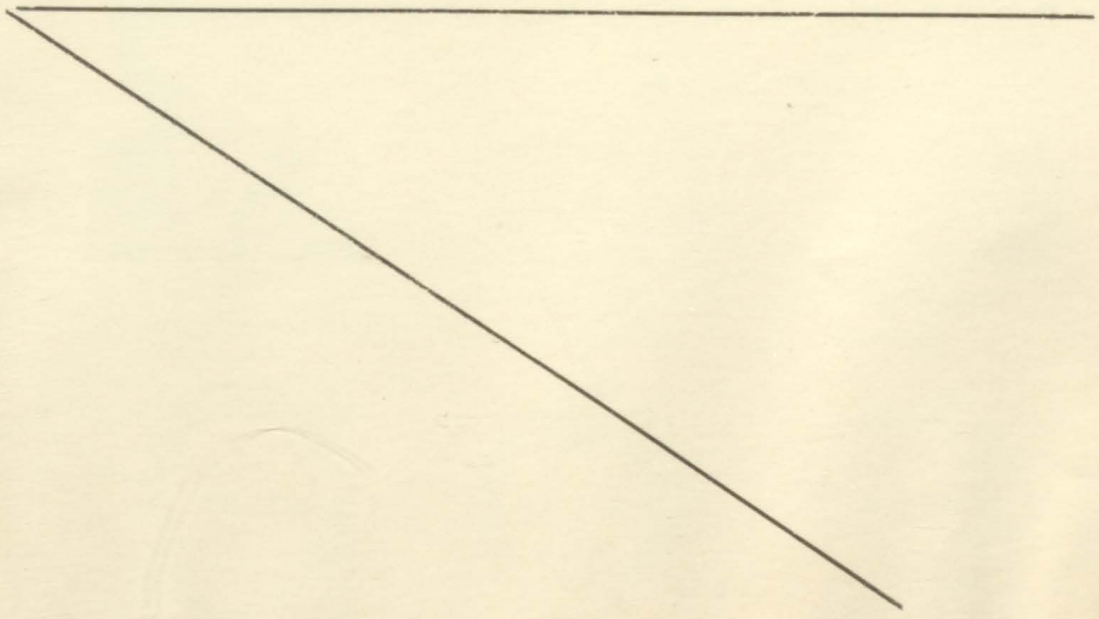
THE FACULTY



. . . . The Faculty

The members of the faculty are concerned primarily with the instruction of the students and in giving them a well-rounded education. In addition, the teachers are also supervisors of the extra-curricular activities of the students and are sponsors of the classes and clubs.

Several members of the faculty are working with the school board on plans for additional building space to accomodate the increased enrollment.

Women of the faculty and wives of the men of the faculty entertained the men at a turkey dinner during the Thanksgiving season.

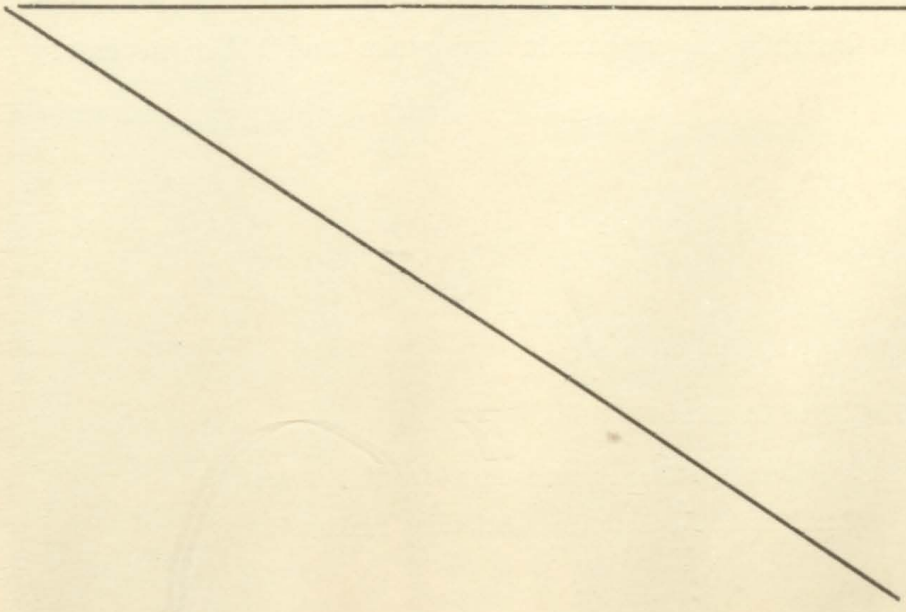
OUR NEW LUNCH ROOM



. . . . The Lunch Room

The students of the high school have the privilege of having hot lunches at noon this year. The cafeteria was completed the latter part of the school year in 1950-51, being opened on April 1, 1951. The cooks are Mrs. Verna Zellers and Mrs. Addie Steidinger.

Each student pays $.35 a meal. Usually this is paid by the week, collected on Friday.

The trays on the walls help to make the lunchroom cheerful, but on Christmas and Thanksgiving our cooks decorated the dining room very attractively.

The lunchroom, formerly the Ag shop, was changed by making two rooms into one and by building in cupboards and sinks and other necessary equipment.

The Commercial Club and Parker Press

The Commercial Club was organized in 1943. Students who have taken or are taking a commercial subject are eligible to join the Commercial Club. The group has learned a little about the business world through the medium of guest speakers and general discussions. Officers for the 1951-52 were: President, Virgil Hulse; Vice President, Jerry Beer; and Secretary-treasurer, Dorothy Young.

One of the most important jobs of the Commercial Club is publication of the Parker Press, our monthly school paper. A round-up of school activities is its chief content, although a page or two is always devoted to the more personal activities of the various students. The Parker Press staff for the year has been: Editor, Virgil Hulse; Ass't Editor, Jerry Beer; Alumni Editor, Joan Knake; Features, Marilyn Bauer; Gossip, Ronald Kuebler and Jerry Zellers; Fashions, Patricia Christensen; Sports, Dennis Kregel; Who's Who, Sam Yergler, Jr.; Reviews, Carol Bauer; Humor, Ralph Winger; Roving Reporter, Blil Martin; Eusiness Manager. The F.F.A. sponsored several money-making projects this year. They sponsored V-Roy the magician; a donkey basketball game; and a scrap drive. The F.F.A. also drew in money du ing the basketball games by selling popcorn and candy.

This year the F.F.A. bought a steam cleaner to be leased out and also in the intention of buying a tractor to use for trouble shooting in the Agriculture classes next year.

The recreation enjoyed by the F.F.A. was a trip to Chicago to see the International livestock show, a swimming trip to Danville, and a project tour. A summer trip to either Lake Shafer or Chicago is being planned.

The theme for the publicity book this year is "Seeing How to Improve Ourselves Through F.H.A."

Every month a meeting was held in which we carried out a theme. A highlight of one of our meetings was a flower demonstration. We also had a few movies.

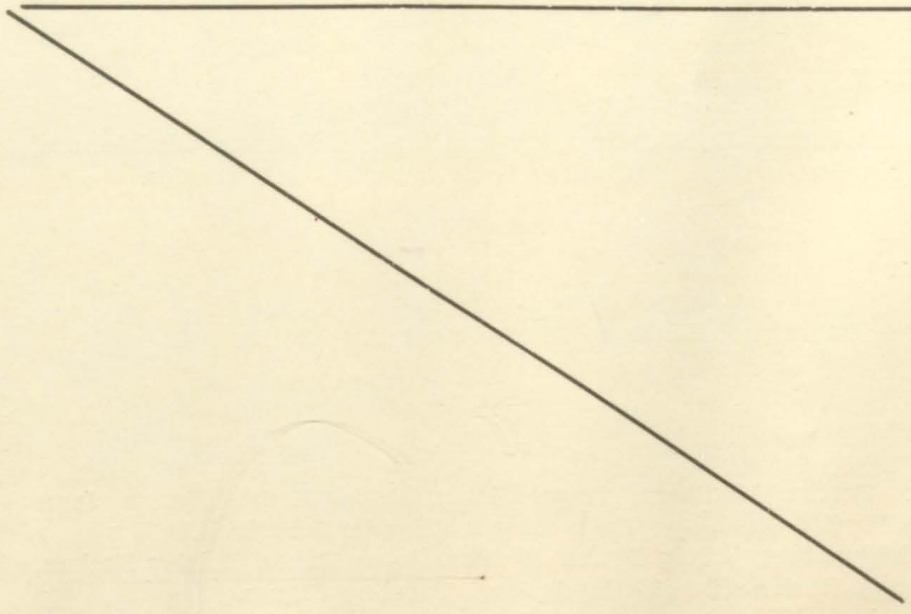
THE ENSEMBLES



. . . . Music — Ensembles

On April 3 the district music contest was held at Bradley, Illinois. Both the mixed chorus and girls' chorus received Division I ratings, and the band, a second. On March 13, at the district solos and ensemble contest, the mixed ensemble and the girls' ensemble both received a first place division which entitled them to go to state contests. Jerry Beer, who entered a clarinet solo, was our only solo to take first place. Division II ratings with solos were: Shirley Laubscher, flute; Nola Knapp, french horn; Ronnie Knake, alto saxophone; and Pat Christensen, voice. Cissna Park received fifth place in the Sweepstakes Award with 64 points.

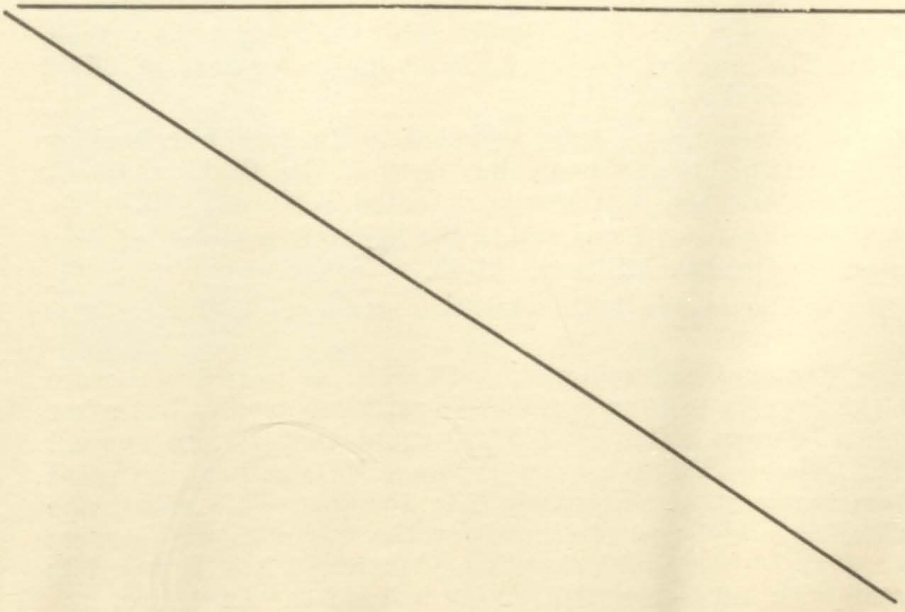
ATHLETICS AND SPORTS



. . . . Varsity Basketball

Cissna Park opened its basketball season on November 13 on the home court defeating Loda by a score of 48-42.

The Red Devils traveled to Wellington for their second game and romped over their opponents 86-42.

Cissna downed a very strong East Lynn team 40-30. This was East Lynn's only loss of the season until being defeated in the finals of the Regional Tourney.

The locals ran their winning streak to 6 games by rolling over Sheldon, Stockland, and Onarga. They then played host to the conference tourney. In the first game they downed Loda 63-33. On the following night they whipped Sheldon 29-26. Their eight game winning streak came to a halt in the finals of the tourney as Cissna lost a heart-breaker to the Donovan Wildcats, 50-49.

Cissna then rolled up two more victories over Crescent and Stockland before losing another heart-breaker to the Sheldon Rams, 56-55.
The Red Devils then crushed Buckley to get back on the winning trail by a score of 63-46.

Coach Scott's boys then rang up three more victories downing Crescent 37-32, Wellington, 82-38, and Watseka, 64-33.

They entered the county tournament with a record of 12 wins and 2 losses and were favored to win it. In the first game they swamped Milford 65-26. In the next game we were eliminated by Buckley in a stalling game. Buckley froze the ball and refused to shoot. Cissna had the ball for less than 4 minutes in the game. Buckley capitalized on the shots they took and the final score was 12-9, a new record low for this county.

After the County Tourney the Red Devils beat their next two foes, Donovan and Loda. The quintet defeated Donovan by a score of 35-32 in an overtime game and Loda, 63-44.

Cissna was out to gain revenge as they traveled to Buckley, but Buckley was red hot from the free throw line as they downed the Parkers, 63-42. Back on the winning trails the Red Devils defeated Milford 73-39.

Leading all through the game, Cissna fell in the last few minutes of play and were defeated by Onarga Military, 44-43.

Because of the flu epidemic the last scheduled game with Gilman was called off.

Cissna entered the Regional tourney with a 19 and five record and were picked again by the experts to take home the first place trophy but after downing a stubborn Bismarck five by a 52-40 count they ran up against Armstrong in the semi-finals and were defeated by another one point game, 38-37. Armstrong went on to win the tourney. This ended the season with a 20 wins and 6 losses record for the Cissna Park Cagers; however 4 losses were by one point margins. Cissna can look forward to another great year with but two seniors being lost off the first five.

This brought the juniors and the seniors together for the championship. The juniors downed the seniors 58-40.

. . . . Fall Baseball

The Cissna Park baseball squad opened the season September 14 against Donovan with a 10-6 loss. However, in the next game Cissna's boys really turned loose the power and when the smoke cleared, the score was 33-3 with Stockland on the short end. The team traveled to Loda and was defeated 9-1 as Dwyer pitched a three hit game. They next traveled to Wellington and got back on the winning side by a 13-1 count. Coach Scott's boys next played Sheldon and walked off with a 9-8 victory with Elroy Cluver pitching a fine game. They then traveled to Crescent City and came home on the short end of a 12-9 count. In the season's final game played at Buckley, our boys were defeated by an 8-3 score, with Bill Wisenbarn pitching a great game for Buckley.

This ended a fair season with 3 wins and 4 losses, but just as in basketball they should be strong next year with but two senior being lost.
